CANOE & KAYAK RENTALS

WILLOW RIVER STATE PARK

SAFETY

- You **must** carry one wearable U.S. Coast Guard-approved life jacket of the proper size and type for each occupant. Damaged life jackets are not legal.
- **DO NOT GO PAST THE BUOYS.** The white buoys with orange diamonds designate the swim zone and a “no entry” dam warning. For your safety, stay clear of these areas.
- Watercraft rentals are only allowed on Little Falls Lake. **Do not paddle to the falls or below the dam.**
- **Always maintain a safe distance from the dam.** Changing currents can make boat control difficult.
- **Never** consume drugs or alcohol before or during boating.
- Do not stand up in the watercraft.
- Come off the water **immediately** if lightning occurs.
- It's recommended that the occupant of any watercraft wear an approved life jacket, especially children and non-swimmers.

IMPORTANT INFO

ALL RENTALS MUST BE RETURNED BY 8PM DAILY

REQUIREMENTS

- **VALID ID (18+) REQUIRED**

RENTAL FEES

4 HOURS OR LESS..... \$25.00
FULL DAY..... \$40.00

Proceeds from rentals support the
Friends of Willow River and Kinnickinnic State Parks, Inc.

PRO TIPS

- Head into waves. Avoid letting them hit you sideways.
- Wear water-friendly clothing and footwear. Use a sealed bag to keep your valuables dry.
- Pay attention to weather forecasts. Wisconsin weather can quickly change.
- Enter or exit the watercrafts in shallow water.

HOW IT WORKS

- Rent your watercraft at the park office, located at Willow River State park entrance. Office is open from 8AM-8PM in the summer.
- **We provide you with paddles, life jackets, and a key to unlock the kayak or canoe.**
- Rental watercrafts are located at the boat launch. Unlock and remove your watercraft. Relock the rack or chain while in use.
- **Please carry your watercraft. Dragging on pavement causes permanent damage to the hull.**
- When you finish boating, return the canoe or kayak to its rack and relock the rack or chain. Return paddles, life jackets, and key to the park office. *You will be charged for lost or damaged equipment.*

LEAVE NO TRACE!

Littering is strictly prohibited by law. Please help us keep our park clean by packing out everything you pack in.
